## EXPERIENCE

### Marketing Creative Specialist

*Freelance | March 2019 - Present*

Clients: Lakic Creative, Alexander's Hope and others

Created visual versions of brands, messages and communication. Creating print and digital campaigns, helping businesses get their messages across in memorable, effective and aesthetically pleasing ways. Translated goals and ideas into design and marketing concepts.

### Graphic Designer

*Mahlum Architects | November 2019 - September 2020*

Developing design elements to support the company in any way possible. Responsibilities include but not limited to brand development, maintaining and publishing content on websites, multiple social media platforms and digital operations. Creating graphics, photography, internal and external print and digital signage, leaflets, video editing, templates for proposals, presentations and planning reports.

### Assistant Creative Designer

*Skanska USA Building | October 2017 - July 2019*

Design and marketing assistance; creating and developing design elements to support marketing. Developing best practices for multiple projects, managing creation of the team website, proposal templates, logistics, library of iconography and infographics, internal and external campaigns, ads, email, and event graphics.

### Interpreter

*Independent Interpreter | October 2016 - October 2017*

Medical interpreting for non-English speaking patients.

### Creative Services

*Andrew Harper LLC | September 2015 - February 2016*

Creating and developing design elements such as email banners, house and pay per click ads. Assisting with design and marketing asset production. Responsibilities include maintaining and revising email graphics, templates and images.

### Graphic Designer Volunteer

*Microsoft Seattle Give Camp | October 2014*

Website redesign and coding for 'Changes Parent Support Network'

### Freelance Graphic Designer

*Tite Design | May 2014 - August 2014*

Worked with co-creators of Tite Design, an industrial design company, to create a inclusive, unique logo and identity. Developed ideas for a logo, visual identity and brand extensions.

### Warehouse and Marketing Assistant

*Deals Only Web Store | May 2012 - September 2013*

Responsible for website product placement, descriptions, and photo editing for e-commerce (Ebay, Amazon, Sears, and Newegg).
